Hi Dr Payne & Drake!

8/28/04

Thanks for taking the time to care about others. I wish to thank you both once again for upgrading the three computers that N.C.B. donated to Bamin Bee Day Care.

I'm sure God has a special place for people like you. Who not only upgraded the computers, but took the time to deliver them to my door in North Ridgeville, Ohio.

May the good work that you do get you many many computers to upgrade and donate to day cares like mine who can't afford them.

Sincerely,

CATHI EHOFF

God's Blessings
Always.
