C/o Dr. Payne
15441 Fitzgerald
Livonia, MI 48154

January 6, 2005

Dear Dr. Payne,

Thank you for the generous donation of 20 Pentium III computers, one laser printer, and 6 additional monitors to our school! We have had outdated equipment in our computer lab for many years and are very excited to have more up-to-date tools for our students.

Over the Christmas vacation break, our old computers were removed and our resident computer expert connected your computers and made them ready for student use. The teachers and students are very excited that once again we will have a functioning computer lab!

Thank you for your kindness! We depend on donations from people like you who understand the need for a good education and the extras that give our school a great learning environment. We pray for God's blessings for you in the future!

Sincerely,

Mary Pidsosny
Principal
