C/O Dr. James Payne
15441 Fitzgerald
Livonia, MI 48154

Dear Dr. Payne:

The 2004-2005 school year at Detroit Urban Lutheran School is off to a great start! God's blessings are evident every day at Detroit Urban, especially through the generosity of people like you. Thank you for all the time and effort you invested in our school. The thirty-two computers you refurbished and donated to our school have made a valuable addition to our program.

As we begin our 33rd school year, more parents are finding a place where their children can be welcomed, embraced, and challenged both academically and spiritually. At Detroit Urban they have found a Christ-centered learning environment with a quality faculty that love and care for each child. Thank you for demonstrating these ideals through your own example of selflessness and love toward those who were technologically impoverished before you stepped into our building.

Thank you very much for your support of Detroit Urban!

Sincerely,

Roy D. Siefker, Principal
