Murphy Ehlers

Director of Music:
Carolyn Carlson

Organist:
Gwen Garriott

Secretary:
Sarah Zimmerman

Nursery Caregiver:
Beth Collins

Custodian:
Debbie Horen

Dear Dr. Payne,

Thank— you so much for your donation of 10 computers to our Lab. Rest assured they will be put to good use by young and not-so-young alike. We are so thrilled to be able to offer up-to-date technology to our congregation! This is something we could not have done without your assistance.

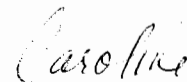

I have sent letters to both Comcast contacts, and to the City of Taylor thanking them for their donations with clear descriptions of their purpose. They will be in the mail tomorrow and received by the beginning of next week.

I was sorry to hear that you were home yesterday feeling ill, I wanted to share with you that we passed on 7 computers to FIA the week before Christmas and they were delivered to the foster children right before Christmas. FIA was thrilled to receive and pass them on, and looks forward to hearing from us again. I assure you that as soon as Chris can box them up, they will be passed on.

The timing was perfect—Chris has today off and had already determined he would be spending a good part of today getting the lab further set up and some repair of the computers was to take place. So, the computers delivered yesterday will be set up today, and ready to go for Sunday School this Sunday.

Thank-you so very much, Dr. Payne. We have been truly blessed by your generosity. I pray you will be feeling much better, very soon!

Sincerely,

Rev. Caroline Hart
