*Dear Dr. Payne,*

*We received recently the donation of a Dell Computer through the graciousness of Folkert Schmidt and you. We would like to sincerely thank you for this gift! My computer was so old and short of memory that it was crashing every week or so. One of our parishioners had promised since Easter to come and put more memory on it but never had enough time to actually do it! So I am very grateful on behalf of the Sisters! I think the Lord got tired of my complaining and frustration!*

*In any case, I thank you again and want you to know that we pray for our benefactors everyday! May the Lord richly bless and reward you now and in eternity!*

*Gratefully in Christ,*

*Sr. Maria Helena*
