Dear Dr. Payne:

I wish to send you a letter of thanks regarding your donation of one of your rebuilt computers, a printer, all the cables and a monitor for use at the Lola Valley United Methodist Church, address listed on this letter head.

We sincerely appreciate the work you do in helping non-profit organizations, such as ours, attain the technology that would otherwise not be available otherwise.

We thank you again for your generosity and for your ministry and organizations for which you help, using your skills to doing so.

God's Blessings to You,

Rev. Gregory E. Rowe

Pastor of Lola Valley UMC

P.S. This letter was done on the system you donated. The printer problem was solved by uninstalling the print driver & reinstalling it. Works great. Thanks, Rev. Greg
