

LUTHERAN Special Education MINISTRIES

"Enabling children with special learning needs to receive a Christian education." • Since 1873 •

August 26, 2003

James R. Payne, D.D.S.
434 N. Center St.
P.O. Box 739
Northville, Michigan 48167

Dear Dr. Payne:

Thank you very much for your recent donation of computers to Lutheran Special Education Ministries. Your generous gift will enable children with special learning needs in Michigan and Indiana to receive the classroom help they need and will help to enrich the professional lives of their teachers.

The equipment is much needed, and would not have been possible without your generosity. Our special education teachers will make use of the eight-piece computer lab now installed at our Detroit office. This new addition to our Great Lakes Region program will be a great benefit, as it will allow teachers to receive computer classroom training. The balance of the computers will be installed in schools in Michigan and Indiana where Lutheran Special Education Ministries has programs. These computers will allow our students to work with a technology that will help them cope with day-to-day learning and also use specially designed software to meet each of their special needs.

It is clear that the Lord has blessed you with special talents and a giving heart, Dr. Payne. We at Lutheran Special Education Ministries thank God that He led you to our Great Lakes Region program. We are indeed blessed to be the beneficiaries of your generous donation. We pray that He will continue to bless you in your future endeavors.

Sincerely,

Jim Krone,
Vice-President of Programs and Services
