Dear Dr. Payne,

We would like to 'thank you' for your donation of sixteen computers and ten monitors. Our school has been trying to get computers for our classrooms, but until you contacted us, it seemed hopeless.

All of the computers that you donated have updated software installed with *Windows 2000* and are either *Pentiums 2 or 3*. Until now, our staff and students have had to work on computers that were so outdated that some still used large floppy disk.

Dr. Payne, we can't say it enough, but 'thank you so much' for your donation. All of the computers/monitors will be put to excellent use. If in the future you would like to donate anything else, please keep McColl Elementary School in mind.

Sincerely,

Mrs. Ruby D. Windhom  
Principal
