Dear Dr. Payne and JDS,

Greetings in the Name of our Lord Jesus.

We want to thank you and JDS for the computers we received for our ministry. One of our goals is to help those with a need to use computer technology to enhance their educational needs, but unable to afford it. Our church looks to provide the technology (when available) and essential training and mentoring (if required).

Again, we thank God for you and the service you and your company provides to those of us in ministry, to help further our ministry impact.

God Bless You and Keep You,

*Marcus D. Johnson*
