Dear Mr. Payne,
Eugene Seals must have probably told you about me. My name is Erick Ouma, from Kenya currently in Knoxville college, Knoxville Tennessee, for my bachelors degree.

The hectic college work, class and research papers necessitated an immediate need of a PC. I however was not in a position to purchase one given my financial situation.

I want to say a big "THANK YOU" for your effort in helping fix up the computer, install programs, and most importantly, for the computer itself. It'll go along way in helping shorten as well as easy up time spent on my completing my class work. God bless you for your precious work. The PC's a real baby!!

Thankfully,

Erick Ouma.

Bwana Payne,
Bwana Eugene Seals natamani alikwisha nitaja kwako. Jina langu ni Erick Ouma kutoka Kenya. Kwa sasa nimo humu Knoxville College nikisomea degree ya chuo cha utatu.

Kazi nyingi shuleni, kuandika karatasi za darasa imelazimisha niwe na mashini ya PC. Sikuwa na uwezo wa kununua moja sababu ya ukosevu wa pesa.

Ningependa kusema "ASANTE" kubwa sana kwa usaidizi wako wa kulitengeneza, kuweka vipindi, na zaidi ya haya yote, kwa PC yenyewe. Litasaidia kukakata saa nilichukua kumaliza kazi la darasa. Mungu akubariki kwa kazi shupavu. Nalipenda hili PC sana.

Asante,

Erick Ouma.
