Dear Dr. Payne and Board members:

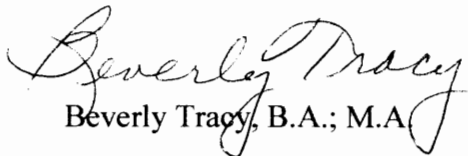

Thank you for the gift of five computers, personally delivered to my classroom, room #22 by George Ginger and colleague.

We are extremely grateful for your commitment to education. Many of our Advance Placement students do not have access to a computer. They won't have to struggle with their research projects any longer.

Again, we want to say "thank you!" from the bottom of grateful students' and one teacher's heart.

May God continue to bless each one of you!

Sincerely,

  
Beverly Tracy, B.A.; M.A.

P.S.

We received the extra mouse during 5th hour on Thursday.  
Thank you for the generous gifts.
