Dear Mr. James Payne D.D.S,

On behalf of Romulus Elementary School, I would like to thank you for your donation of five computer systems. The computers that were donated to our school will go directly to five at-risk children to help increase their academic achievement. Having the opportunity to extend the importance of education at home through the use of your contribution will positively impact the lives of our children and help create life-long learners and leaders.

Thank you for your thoughtfulness and generosity.

Sincerely,

A handwritten signature in cursive script that reads "Lynne".
