Dear Dr. Payne:

We write to thank JDS for assistance in providing 17 computers to Second Grace United Methodist Church. We understand that these computers were donated through your initiative. Your generosity provides an invaluable support to our on-going Children and Youth Ministries, Summer Youth Program activities and the Adopt-A-School Program (mentoring of Dixon Elementary School youngsters).

Thank you so much for helping provide infrastructural support to crucial ministries with young people in this community. You have made our tasks much easier by partnering with us in this way.

May God richly bless you.

Sincerely yours,

Juanita Reaves
President, Trustees

With faith and commitment
