Dear Dr. Payne,

Thank you for your generous donation of 2 laptop computers. The computers will be used to facilitate better communications between the missionaries and their sponsors. Robert Sundberg, missionary to Oaxaca, Mexico will be one of those recipients. Mr. Sundberg is also the recent recipient of a liver transplant. Bob and his wife Rocio have a cross-cultural pastors/discipleship school in Oaxaca and train indigenous people to reach the many villages in Mexico.

Stewart Road Christian Ministries Administrative Pastor Dawn Bosworth will be following up with a donation letter including the federal tax ID.

Thank you again Dr. Payne for such a bountiful blessing towards the work of the Lord.

Sincerely,

Laurie R. Parker
Mission Board Chairman
